

# Hudson Hills Bus Reminders

## 2022-2023

for Kindergarten - 8<sup>th</sup> Grade

If your child is entering kindergarten or above, they may be eligible for a school bus.

Here's the process:

- Check with your district for mileage requirements if you need transportation. Generally, they will not transport anyone who lives more than 15 miles from your private school.
- You must register your child with your district and submit a district-specific bus form. You can obtain a bus form from your district's website, and/or our school office will email them or send them home when we receive the current version from your district.
- Print your district's bus form and submit it directly to the district. Private School bus forms are **due to your district before April 1, 2022** - or the district can deny your busing request.
- After you submit the bus form to your district, you may want to check with them to make sure they received it.

If you are unsure about busing, it is a good idea to register your child anyway and keep your options open for the next school year. You can always cancel it later in the summer.

With thanks,

The Hudson Hills Office Team
