

Dear Parent(s):

In order to promote the Hudson Hills Montessori, we will frequently take photographs of our children. Some of these photos will be used in promotional pamphlets, community newsletters, newspaper advertisements, annual reports and on the school website, among other places.

On occasion, we will invite print local newspapers to Hudson Hills to cover events. Your child's name and image may appear in newspapers if he or she is participating in one of these events, wins a special award, etc.

If you agree to provide permission for your child's name and image to appear in the media or in any publication, please sign and return this form.
